- Material:** Ductile iron legs; 3 tropical wooden boards of 190x40mm and one board of 130x40mm. **Stainless steel screws.**
- Finish:** The legs are treated with **ferrous** which guarantees a high resistance to the rust conforming to the spray salt fog test. Grey forge colour finished.
 Tropical wood treated with a preventive product **liqunus** fungicide and insecticide and water proofed. Natural colour finished.
- Recommended anchorage:** M10 fixing bolts for anchoring to the ground, depending on the surface and the project.
- Optional:** FSC certified tropical wood can be used if desired.
